

Morningstar Overall Rating **★★★★**

1.BEA Union Investment Asia Strategic Growth Fund (the "Fund") is subject to equity markets risk such as changes in investment sentiment, political, economic and social environment and liquidity and volatility in the equity markets.  
2.The Fund invests in emerging markets may involve a greater risk of loss than investing in more developed markets due to greater political, tax, economic, foreign exchange, liquidity and regulatory risks, and investments tend to be more volatile than developed markets.  
3.The Fund may expose to currency risk which may affect the performance of the Fund due to movements in the exchange rate between the currencies in which the assets are held and HK dollars (the denomination of the Fund).  
4.The Fund may acquire financial futures, options and forward contracts for hedging purposes. In an adverse situation, the Fund's use of financial futures, options and forward contracts may become ineffective in achieving hedging and the Fund may suffer significant losses.  
5.Investors should not make an investment decision based solely on this material.

OBJECTIVE

The Fund is to provide investors with long term capital growth in HK dollar terms through investing in a diversified portfolio primarily consisting of securities (i.e. at least 70% of its net asset value) that are either (a) listed in the Asia Pacific region or (b) issued by companies that are incorporated in the Asia Pacific region or companies which have significant operations in or derive a significant portion of revenue or profits from the Asia Pacific region (excluding Japan).

FUND POSITIONING

- Combine top-down macro-economic analysis for country and sector allocations, and bottom-up securities selection
- A portfolio which is well-diversified across different countries and sectors in the Asia Pacific ex-Japan region
