

1. BEA Union Investment Hong Kong Growth Fund (the "Fund") is subject to equity markets risk such as changes in investment sentiment, political, economic and social environment and liquidity and volatility in the equity markets.  
 2. The Fund is subject to diversification risk with investments in Hong Kong markets only and is more volatile than a board-based fund.  
 3. The Fund may invest in securities listed in Hong Kong which have exposure to China's economy or markets. Such investments may expose to greater political, tax, economic, foreign exchange, liquidity and regulatory risks.  
 4. The Fund may acquire financial futures and options for hedging purposes. In an adverse situation, the Fund's use of financial futures and options may become ineffective in achieving hedging and the Fund may suffer significant losses.  
 5. Investors should not make an investment decision based solely on this material.

## OBJECTIVE

The Fund is to provide investors with long term capital growth in Hong Kong dollar terms through investing in a diversified portfolio consisting primarily of securities of companies (i.e. at least 70% of net asset value), either listed or with operations or interests principally in Hong Kong.

## FUND POSITIONING

- Combine top-down macro-economic analysis for sector allocation, and bottom-up securities selection
- A portfolio of securities of companies, either listed in or with operations or interests principally, in Hong Kong
